

8 months in High school in Lorient, South Brittany, France

The applicant will carry out his mission at Jean Macé High School, 850 pupils, located in Lanester close to Lorient, Morbihan, in southern Brittany.

The person will play an integral part in internal projects in the school as well as others with outside establishments: other High school and BIJ (Youth Information Center) Through his/her different missions, he/she will develop skills in various fields such as communication, taking initiatives, language learning, project leading...

He/she will be entrusted with tasks mainly concerning animation out of class time, organising and accompanying both day pupils and boarders in their activities. The projects will be determined according to the skills and aptitudes of the applicant. He/she will play an active role in the "Maison des lycéens" (school club), in the management of the school cafeteria (run by pupils), organize events, propose cultural activities and boarders outings. He/she will also help pupils in their individual and collective international mobility projects and take an active part especially in the fields of equal opportunities and civil rights.

Accommodation, food and transport arrangements:

The European Service will take place in Lanester (22 000 inhabitants), a city close to Lorient, a city of 60 000 inhabitants, Lorient and its suburbs are the 3rd biggest in Brittany after RENNES and BREST. Near the sea and in the Morbihan department, Lorient looks to the sea and is 1h40 from Rennes and Brest, 5h from Paris. The three universities gather 6.500 students.

Accommodation: The volunteer will share a flat with 3 or 4 EVS volunteer that will be in other high school. The flat is located in Lorient. The volunteer will have lunch in high school during working days and (S)he will receive a monthly budget for food to prepare his/her own meals.

The volunteer will have a bicycle and a subscription for the local bus services.

Training during the opportunity:

To all EVS volunteers of our organisation is given the chance to participate to on-arrival training and med-term evaluation organised by the French National Agency for Erasmus + Youth.

The volunteers are expected to take part into a pre-departure training organized by their sending organisations before their arrival.

If the volunteer doesn't speak french he/she will attend French language lessons (for the first 3 months)

Organization name

Jean Macé, High School

City

Lorient
