

# EUROPEAN SOLIDARITY CORPS: “CO-HABITAT”

---

**When:** From April till October 2022 (6 months)

**Where:** Burgos – Spain

**Host organisation:** [El Puchero de Villasur](#)

**Who:** 2 volunteers (18-30 years old) resident in EU member countries

**Deadline for send candidates:** 2 March 2022

## SUMMARY OF THE PROJECT

The main objective of "Co-habitat" is to promote sustainability as well as to foster rural development, through the activities that will be developed in vegetable gardens of Villasur de Herreros and through activities focused on sustainable development and environmental protection issues. Furthermore, the project will represent an intercultural learning opportunity for the volunteers and entities involved, who will participate in the project to promote cooperation and solidarity, responding to the programmatic strategy of the European Solidarity Corps. El Puchero de Villasur, the hosting organization, was founded in 2018 by an initiative for the conscious supply of food following organic farming methods and recovering animal traction for agricultural work. El Puchero de Villasur aims to establish a direct relationship between production and consumption, thanks to which a deep knowledge between both parties is facilitated, as well as the problems related to production and its impact on the territory.

Volunteers will participate in all the activities of the organisation and will always be guided and supported by the members of the association. **The main activities** in which volunteers will participate are:

- assistance in the care and maintenance of organic gardens;
- assistance in the preparation and development of theoretical and practical agroecology courses and workshops: logistical support, facilitation and support in group management;
- assistance in the conception, planning and implementation of socio-cultural activities for the rediscovery of rural traditions;
- assistance in the preparation and development of events related to ecology, rural development and food sovereignty;

- assistance in the production of natural remedies and support in the implementation of phytotherapy workshops;
- promotion of the European Solidarity Corps programme;
- communication activities and promotion of the association's activities.

## VOLUNTEERS PROFILE

- resident in EU member countries;
- motivation to participate in the project and specific activities;
- interest in the activities planned within the host organisation;
- interest in the environment, environmental education and agriculture;

Interest and predisposition to face the lifestyle proposed by the activity: living in a rural area, 25 km far from the city of Burgos;

- flexible and with sense of adaptability.
- interest and willingness to face the intercultural experience proposed by the project and its challenges;
- flexibility and ability to work in a team.

## ACCOMODATION and FINANCIAL SUPPORT

El Puchero de Villasur will provide an accomodation in Villasur de Herreros for all the volunteers. They will have a double or single room. The coordinator of the project (Asociación Brújula Intercultural) will provide, monthly, an amount (established from the ESC program) for the maintenance and a pocket money (5 euro per day). The travel expenses will be refunded on the basis defined by the European Commission.
